

camp\_property::finalize  
\_array

```
graph LR; A[camp_property::finalize_array] --> B[camp_property::finalize]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'camp\_property::finalize\_array' in black. The right box is white with a black border and contains the text 'camp\_property::finalize' in black. The blue arrow originates from the right side of the left box and points directly to the left side of the right box.
