

attach\_to\_data

```
graph LR; A[attach_to_data] --> B[allocate_index_arrays]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'attach\_to\_data'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white and contains the text 'allocate\_index\_arrays'. Both boxes have a thin black border.

allocate\_index\_arrays
