

solver_run

```
graph LR; A[solver_run] --> B[sub_model_update_env_state]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box is white with a black border and contains the text 'solver_run'. The right box is gray with a black border and contains the text 'sub_model_update_env_state' on two lines. The arrow is a solid blue line with a triangular arrowhead.
