

diff_check_init

```
graph LR; A[diff_check_init] --> B[copy_data]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'diff_check_init'. The right box is gray with a black border and contains the text 'copy_data'. A blue arrow points from the right side of the first box to the left side of the second box.
