

```
camp_camp_solver_data  
::camp_solver_data_t  
::finalize
```

A diagram illustrating a transition from a state to an action. On the left, a gray rectangular box contains the text 'camp_camp_solver_data', '::camp_solver_data_t', and '::finalize' stacked vertically. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'camp_camp_solver_data' and '::finalize' stacked vertically.

```
camp_camp_solver_data  
::finalize
```
