

`solver_run`

```
graph LR; A[solver_run] --> B[solver_print_stats];
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text `solver_run`. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is gray with a black border and contains the text `solver_print_stats`.

`solver_print_stats`
