

camp_util::read_word_raw

```
graph LR; A[camp_util::read_word_raw] --> B[camp_util::read_char_raw]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'camp_util::read_word_raw'. The right box is white with a black border and contains the text 'camp_util::read_char_raw'. A blue arrow points from the right side of the left box to the left side of the right box, indicating a flow or dependency from the word reading function to the character reading function.
