

rxn\_print\_data

```
graph LR; A[rxn_print_data] --> B[rxn_troe_print]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'rxn\_print\_data'. The right box is gray with a black border and contains the text 'rxn\_troe\_print'. The blue arrow points from the right side of the first box to the left side of the second box.

rxn\_troe\_print
