

camp_camp_core::new
_state_one_cell

```
graph LR; A[camp_camp_core::new_state_one_cell] --> B[camp_util::assert_msg]; B --> C[camp_util::integer_to_string];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'camp_camp_core::new_state_one_cell'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'camp_util::assert_msg'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'camp_util::integer_to_string'.

camp_util::assert_msg

camp_util::integer
