The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box is filled with a grey color and has a thin black border. It contains the text 'sub_model_ZSR_aerosol' on the top line and '_water_update_ids' on the bottom line. The right box is white with a thin black border and contains the text 'jacobian_get_element_id'. The blue arrow is positioned between the two boxes, pointing towards the right box.
