

camp_property::iter_next

```
graph LR; A[camp_property::iter_next] --> B[camp_util::warn_msg]; B --> C[camp_util::integer_to_string];
```

The diagram illustrates a sequence of three function calls. The first call, 'camp_property::iter_next', is highlighted with a gray background. A blue arrow points from this box to the second box, 'camp_util::warn_msg', which has a white background. Another blue arrow points from the second box to the third box, 'camp_util::integer_to_string', which also has a white background. All boxes are rectangular with a thin black border.

camp_util::warn_msg

camp_util::integer
_to_string
