

sub_model_print_data

```
graph LR; A[sub_model_print_data] --> B[sub_model_UNIFAC_print]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'sub_model_print_data'. The right box is gray with a black border and contains the text 'sub_model_UNIFAC_print'. A blue arrow points from the right side of the first box to the left side of the second box.
